GIFT COLLECTION
OFFERING YOU THE CHANCE
TO CHOOSE NATURALLY**

2025 | 2026

Why Okiyo?

The chance to choose, naturally.

Okiyo brings you a range of products made entirely or partially from materials that are reusable, recycled, recyclable or harvested from sustainable natural resources.

The elements used to make these environmentally conscious items include; cork, bamboo, wheat straw, paper, jute, cotton, wood and glass. By bringing these products together under one collection with a clear identity, we hope to reduce the impact we have on the world we all live in.
